

## WIN a makeover appointment at Alexa's favourite salon!

**WIN!**

Gosh, aren't we kind souls. Yesterday we were offering one lucky Grazia Daily reader a chance to win a one-on-one makeover with Kate Moss's BFF and hair stylist supremo James Brown. And today here's another chance to be groomed by the team behind the amazing Alexa Chung, Rosie Huntington-Whiteley, Beyonce and Keira: the Hershesons dream team. Colourist Sibi Bolan and make-up artist Lauren Hersheson have created the new 'Colour Me Mine' package to get your hair and make-up perfectly in sync for party season. It means whilst Sibi whips your colour into shape, Lauren uses the latest products from Armani, MAC, Bobbi Brown and Chanel to talk you through the latest catwalk tricks and create your perfect make up look. And just because it's Christmas, Hershesons are offering one reader a free package for the first person to ring up and quote Grazia. So QUICK! Call 020 7210 879 right now. And if you miss out book Colour Me Mine (appointment lasts 3 hours and price is based upon your consultation) at <http://www.danielhersheson.com/>.
